R. V. INDUSTRIES

ENVIRONMENT, HEALTH & SAFETY POLICY

Protecting People • Preserving Environment • Practicing Responsibility

DOCUMENT	REVISION	EFFECTIVE DATE	APPROVED BY
EHS Policy	**00**	**01 July 2026**	**Managing Director**

R.V. Industries is committed to protecting the environment, safeguarding the health and safety of employees and visitors, and maintaining responsible manufacturing practices. We aim to prevent injury, occupational ill-health and pollution while meeting applicable legal, regulatory and customer requirements.

Our Commitments

— Safe Working Conditions
Provide and maintain safe and healthy working conditions appropriate to our manufacturing activities.

— Risk Management
Identify workplace hazards, assess risks and implement suitable controls to prevent injury and occupational ill-health.

— Legal Compliance
Comply with applicable environmental, occupational health and safety laws, statutory requirements and relevant customer requirements.

— Resource Efficiency
Promote efficient use of energy, water and raw materials and continually improve resource efficiency where practical.

— Pollution Prevention
Prevent pollution through proper control of emissions, effluents, chemicals, oils, waste and other environmental aspects.

— Recycling & Reuse
Encourage segregation, recovery, reuse and recycling of materials, including brass process scrap, wherever technically appropriate.

— Training & Preparedness
Provide suitable training, awareness, personal protective equipment and emergency preparedness for employees and relevant persons.

— Employee Participation
Encourage employee consultation and participation in workplace health, safety and environmental improvement.

— Incident Investigation
Investigate incidents, near misses and environmental non-conformities and implement corrective actions to reduce recurrence.

— Continual Review
Review EHS objectives and performance periodically to support continual improvement.

EHS OBJECTIVE

To operate responsibly, prevent harm to people and the environment, comply with applicable requirements, and continually improve EHS performance as part of our manufacturing culture.
