R.V. Industries is committed to sourcing raw materials, components and services responsibly, with due consideration for quality, legality, ethics, environmental impact, human rights and supply-chain continuity.

Our Commitments

— Approved Suppliers
Purchase from approved and appropriately evaluated suppliers based on capability, quality, reliability and compliance expectations.

— Traceability & Records
Promote traceability of raw materials and maintain relevant supplier and material records according to applicable requirements.

— Resource Recovery
Encourage responsible use of natural resources and increased recovery and recycling of suitable brass and non-ferrous materials.

— Supplier Compliance
Expect suppliers to comply with applicable laws relating to labour, environment, health and safety, anti-bribery and responsible business conduct.

— Risk Assessment
Assess sourcing risks and take proportionate action where significant compliance, quality or continuity concerns are identified.

— Responsible Suppliers
Prefer suppliers that demonstrate transparent and responsible environmental and social practices where commercially and technically appropriate.

— Continual Improvement
Work with suppliers on continual improvement, corrective action and long-term supply-chain resilience.

POLICY OBJECTIVE

Our objective is to build a reliable and transparent supply chain that supports consistent quality, competitive cost, ethical conduct and sustainable material use.
